FUNDRAISER PROGRAM

Let Eckert's Restaurant and Store lend a helping hand to your organization with our Dine and Shop to Donate program. Your school or charity will get flyers and stickers to promote your event and receive a 10% donation for sales generated from your participants in both our restaurant and our store. It's fun, it's easy and it's profitable. Here's how it works:

Step 1: Pick a Date - Call our restaurant to request a date (Tuesday or Wednesday) at least one month in advance. Only authorized personnel or PTA/PTO representatives can officially book events.

Step 2: Promote Your Event - We will send you an electronic version of your flyer that you can e-mail, print and hang-up. Schools will also receive stickers for every child to wear home that promotes the event and participating teachers get to dine for FREE*.

Step 3: Host Your Event - Have fun knowing that 10% of all register sales from both our store and restaurant generated from your participating families, friends and community will be donated back to your organization.

Step 4: Profit from Your Event - Your donation check will be sent to your organization within 10 business days of your event. All participating ticket sales must total a minimum of \$100 to receive a donation from Eckert's.
