

## CHURCH GIVING PROGRAM

Eckert's Restaurant has a special program for church gatherings and events that gives 10% of the total bill back to the church. Outlined below is how our program works:

Make any dining room reservation (minimum of 10 people) in the name of your church and come and enjoy breakfast, lunch or our famous fried chicken dinner at Eckert's Restaurant. We will then tithe 10% of your total bill back to your church. Reservations are on a space available basis and must be made three days in advance.

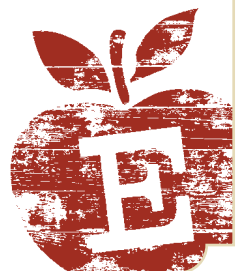

Within two weeks after your meal at Eckert's Restaurant, we will mail our 10% tithe of your total bill back to your church.

Additionally, we will donate \$15 (3/\$5) in Eckert Cash to your church which can be used for the church's administration any way they see fit. Eckert Cash can be given to pastors, clergy, Sunday school teachers, office staff or anyone as a reward for their efforts. Eckert cash is treated as currency in our restaurant and country store.
